Guarantees:

We will use all reasonable care and skill in providing the service that you choose. It would be unethical to provide a guarantee for a client's treatment; there is no medication, operation or procedure that has a 100% success rate across the board and clients experience may vary from person to person.

Therapy has a potential emotional risk. Approaching feelings or thoughts that you have tried not to think about for a long time may be painful. Making changes in your beliefs or behaviours can be scary, and sometimes disruptive. It is important that you consider carefully whether these risks are worth the benefits to you. In the event that the therapy is unsuccessful, we do not offer a refund or part refund.

Note: Always consult your doctor before starting or stopping ANY medication.

Limitations of Liability:

In no event shall Liverpool Hypnosis or its suppliers be liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption) arising out of the use or inability to use the materials on Liverpool Hypnosis' website, even if Liverpool Hypnosis or a Liverpool Hypnosis authorized representative has been notified orally or in writing of the possibility of such damage. Because some jurisdictions do not allow limitations on implied warranties, or limitations of liability for consequential or incidental damages, these limitations may not apply to you.

Under no circumstances can Liverpool Hypnosis or its suppliers be liable for any damages, including but not limited to damages for loss of profit, data, or business interruption, that may arise out of the use of and/or inability to use any and all of the materials on this website.

This limitation of liability shall be enforceable in any and all jurisdictions around the world, and the user agrees to hereby and henceforth indemnify Liverpool Hypnosis from any and all liability from the date of first use of the website, in perpetuity.
